

YOUTH VOLUNTEER OPPORTUNITIES AT CORA

Fighting Hunger does not always start with a meal. It starts with those who serve.

We at CORA are very familiar with the community service requirements for some Chatham schools, and wholeheartedly support this program. We know how important it is for young people to develop a compassionate heart and take action.

Because CORA functions more like a grocery store, letting clients choose their food, we have very few volunteer opportunities “in-house” for youth. However, there are many things kids can do to earn service hours through CORA with a little extra initiative and creativity.

Together we can build a community without hunger!

- Sponsor a food drive in your school or community.
- Gather items for our Celebration Station or Reading Corner and Play Area.
- Put together a walking team for our Annual Hunger Walk/Run in the spring.
- Help serve soup at the Annual Empty Bowls Event in the winter.
- Help out at a SNACK! (Summer Nutritional Assistance for Chatham Kids) distribution site during the summer.
- Start a community garden.

If you are interested in any of the above activities, please contact Natalie Stewart, Operations Manager, at natalie@orafoodpantry.org or 919-542-5020.
